

YWCA Peterborough Haliburton has been a leader in our communities since 1891. For 130 years we have responded to the changing needs of women. Our commitment to women is strengthened by partnerships locally, provincially, nationally, and globally. As a member of YWCA Canada we are connected to a global movement of women who seek to address the complex factors that interrupt the right of women to safety in their homes and in their communities, economic self-sufficiency and a living wage, and access to affordable housing, nutritious food, and childcare.

Your membership supports our collective pursuit of gender-based equity and empowerment, through programs that focus on eliminating violence, creating healthy communities, empowering girls, and strengthening women as leaders.

Members of YWCA Peterborough Haliburton are women over the age of 16 who live in the counties of Peterborough or Haliburton, and who agree with, commit to uphold, and support our feminist values-based service delivery intentions to:
